DAVE BOATRIGHT MEMORIAL

"David worked many different jobs in his early years, primarily in construction. He later found his true calling when he began working as a groundskeeper at Camp Sierra. His dedication and hard work led to his promotion to Camp Manager, a position he held until his retirement after 20 years of service. David was a true 'mountain man' who thrived when in the forest, and fishing. His years at Camp Sierra were among the happiest of his life."

A memorial will be held tomorrow (Thursday) in Fresno, at 11:00 AM.

RUMOR HAS IT

Saw TJ watching hot, young singles party it up,, Love Island fan?

Maya and Aidyn have serious beef after what should have been a romantic carpet ride turned into a Shakespearean tragedy...and it's not even Friday yet!

Xoxo, Co-op Confessional

**DAVID SEES STARS/
HARRY ADDS THOUGHTS**

Venus is setting RIGHT NOW! Jupiter sets at 9:30. The Big Dipper and the Little Dipper are very visible from the parking lot, and especially the outdoor chapel! Stars?? Just look up! If you wait up really late (about 12:30), you can see the Milky Way really well to the east.

KARAOKE AFTER PARTY

It kept going! The hardworking editors write this edition amongst the backdrop of a roaring afterparty. Bob Hope is the paparazzi for the star-studded Co-op campers.

**MOUNTAIN WINDS
HEARD AROUND CAMP**

"Everyone knows that song! Well I've never heard it...."

"Will the real Slim Shady please stand up? Uhh who?"

"Maya's been copying meeeeeee, she wants to be meeeee"

"Being a philosophy graduate student means I'm training to be poor foreverrrrrr"

"Which Harry are you looking for?"

"Did she pee back there?"

"I see a duet in your future"

"I've been occupying this fridge, it's been great!"

"Who stays up until 12:30 except Modern Humans??"

"Can we sing Sweet Caroline? Oh, white people love that song."

*"Are they tipsy? Detective Naomi is on the case!
NOTHING GETS PAST HER"*

"If they're Purple People Eaters, they're gonna eat my car forsure" (Editors note: is that funny???)
