BROWN BAGGING IT!

Don't forget to pack lunch this morning! Lunch supplies will be provided at breakfast - whether you'll be hiking all day or just chilling in camp, treat yourself to a delectable sandwich and bag of chips.

CHILDCARE UPDATE

Co-op Camp Childcare Update! Reminder, today is a bag lunch day. Childcare ends at 10:30. We hope everyone has a fantastic day, whether or not you're going on a hike!

THE FINEST DISHWASHER AT CAMP

We should all aspire to be cleaning our plates to the high caliber that is set by Camper Selah. Routinely producing the cleanest plate in the Dining Hall, when asked how she honed her skills, "My momma taught me!"

How can we reach her level of greatness - she says the trick is to "put the knife on the back, so it's easier to scrape - it's more flat!" and "if it doesn't get off then I just use the back." YES, BOSS!

UKULELE IS BACK

Two days of uke isn't enough - we're going to keep it up again today! Meet in the Rec Hall at 9:30. As always, Rodney will bring the instruments!

CO-OP FEAST

Where will YOU be for dinner? Hopefully not the dining hall! Dinner is at 6 PM in the outdoor BBQ Area. Come hungry.

GOING ONCE, GOING TWICE, SOLD!

Do you need a lightly used board game? Perhaps a slow-feeder dog bowl? You can find all of this and more at tonight's auction! Starting with a silent auction during dinner, followed by a live auction. All proceeds go back to camp.

CAR-NI-VAL

Co-op camp's annual carnival was a HIT (as usual!). There was singing, dancing, and guessing! Thanks to all the fun booths and participants for a joyous night!

Nails were painted. Faces were painted. Prizes were gotten. Prizes were taken. Bubbles were given. Tattoos were given. But nothing permanent!!! I think...

The Guessing Booth was a hit tonight! The winners were Victor and Monty. Victor guessed 900 Cheese Balls, and Monty guessed 864. There were 898 Cheese Balls total! 😊 🎉

Moriah always running around like a chicken with her head cut off.. But did it again! There's a face painting tag team - Erica passed off the baton to Evan and all painters are loved!

Thanks to Victor, Shira, and the singers for the music!

A PICTURE SAYS A THOUSAND WORDS

Want to prove to your great-great-great grandkids you attended Co-Op Camp in 2026? Make sure you're captured in this year's all-camp photo! Meet in the meadow across from the outdoor dining area at 5:41 PM.

TIE DYE RINSE

Enormous thanks to all who helped with the tie dye rinse yesterday. Make sure to wear your beautiful creations to the all-camp photo!

CALLING ALL TALENT

Do you enjoy whimsy? Does anyone ever call you quirky? Have you ever impressed anyone? How did you do it? Come and show us at the Talent Show.

GOOOOOOOOOOOOAAAAA ALLLLLLL

Come watch Team USA take on Team Turkey tonight at 7 PM in Spring House.

WANT S'MORE?

What's summer without an ooey-gooley s'more? Do you prefer your marshmallow raw or charred or somewhere in between? Be the master of your own creation at tonight's campfire at the flagpole.

SWIMMING HOLE WEATHER

Have you ever wondered if dogs like the swimming hole? Well, Clarabelle the FrenchTon is thrilled to report the swimming hole is a warm 61 degrees. Perfect for a dip in the water after trekking up that hill!

CHALLAH BAKE REMINDER!

Challah Bake starting at 9:30 am tomorrow (Friday) at Spring House.

Session 1: Mix and Knead

9:30-11:30 am

Session 2: Braid and Bake

1:30-3:30 pm.

Come to either Session or both!

*Help also appreciated to deliver the freshly baked Challah to Shabbat

Happy Hour at Circle, circa 4:45 pm.

Thank you!

Naomi, Maya and Lenore

DEAR NICOTINE FIENDS

It has been scientifically proven the vaping is safer for the forest. Jury is still out on your lungs.

A DAY IN THE LIFE OF CLARE

What happens when a surge of high pressure natural gas explodes and blasts into the air? An entire crew of workers must immediately deal with this catastrophic devastation. Clare is the first one on the scene. She has to protect her fellow crew members from collapsing structures, intermittent explosions, and massive fires. The government has ignored all of the warning signs, despite Clare's best efforts to warn them. Now, it's up to her to save us all from natural disaster and apocalyptic death.

GONE FISHING? (A HAIKU)

RUMOR HAS IT

Allegedly: Danny & Jake are throwing out ideas for a Cars sequel called "Cars Saga Presents: Maximus Overdrive" where Tow Mater goes back in time to the time of the Gladiators and helps a wounded Gladiator win the tournament.

Aidyn looked into Bob Hope's soul and convinced him he should not tell jokes because he is not a funny person. Talk about beef starting!

SOCIAL HOUR AT DOUBLE LODGE

The mango habanero goat cheese was a hit! And it wouldn't be happy hour on the Double Lodge porch without Blonde and the Beard! Co-op Campers were digitally blessed with Facetimes from Amy, Steve, and Kai who are not here physically, but always in our hearts. We'll see 'em in 2027!

SPORTZ REPORTZ

In Group B, Sebastian and Erin's household are happy, because their family, Switzerland took home Group B! Canada took 2nd - pretty cool, eh? It looks like Bosnia is going to pull through in 3rd. Go talk to Sebastian if you want to take a celebration shot of some family distilled cheese-making something spirit!

In Group C, Powerhouse Brasil takes the group! Morocco comes 2nd. Debutantes Haiti: hats off to them! Great showing in their first World Cup! Will Scotland and the Tartan army secure one of the 3rd place slots... time will tell!

In Group A: host Mexico wins the group! How far can the host Mexican fans take them?!?!

POTHOLES ARE CALLING

These editors have not been to the Potholes, but from what we hear the trail is dicey but the water feels good! And if we don't believe it, these pictures certainly make us want to go!

MOUNTAIN WINDS HEARD AROUND CAMP

"Ummmm I think there's a knife in the plate tub....."

"Oh we all thought, there goes a plastic chair!"

"You guys know stuff I'll never know and I don't care!"

"I have a day cap and a night cap!"

"I'll bring my box!"

"Tell them about your family tree - the guy who married a mother, and a daughter!"
