Scientists find that the world doesn't exist outside of Camp Sierra. There's nothing you could have done about it anyways, may as well enjoy yourself today.

IT'S A FAMILY AFFAIR

Meet the hard working team at Camp Sierra this summer. Four are family members, and one is the granddaughter of a Camp Sierra site holder.

They do all the cooking and cleaning to make your vacation enjoyable

Saraleen has been head cook for four years, and she is also the year-round host for camp's Airbnb rentals. Camp Sierra is lucky to have her, and all the staff!

THANKS FOR LETTING MY CHILD BE A DIVA TONIGHT

Folk dancing: an Xtreme Sport. Can you dance, follow the rhythm, watch the steps - all while children under foot?

GUINNESS WORLD RECORD FOR MOST PUKES ON THE WAY TO CAMP

...we had 4 pukes under 4 (?)....

Lots of littles this year at camp! Mix em up - pass em around - share the love. Just make sure you take home the same ones you came with!

"Theres three babies that weren't born last year that are here now" - overheard Camper observation

MAKE IT KNOW YOU WANT TO HAVE A HAPPY HOUR AND DREW WILL FIND YOU

Highly solicited happy hour spot, the bar is very high and you may have to fight with Harry.

Some confusion figuring out who's on first, what's on second, and so on. Maybe all we know is Shabbat? Shabbat, Shabbat, Shabbat??

Schedule to be determined and published daily.

DAVID SAID I'M GOING TO WRITE AN ARTICLE ABOUT THIS CAT

Confirmed cat sightings. Article to follow.

Dinner Reviews

"Dinner was very nice, I really appreciated there was a meat option without cheese."

"The brownies were the perfect amount of mushy!"

TOP SECRET

Don't put this in the paper, but SOMEONE is going to have a secret dance party at his place

Swimming Hole News

Perfect for kids! Wading water galore. The sun is beaming, it's not super hot out but its just the right amount of amount of sun to get warm. Parent supervision needed. Stay away from the scary pool of standing water.

LISTEN TO THE TOLL!

Thoughts from a Greyhound Breakdown in Bakersfield (on the way to Camp Sierra)

It's about liminal space. And about how being stuck in between can bring an unexpected peace and presence you didn't know you needed.

**Inquiring minds: liminal = in between*

Chaurl-Ohn-REE*

Those familiar with Circle bathrooms will be pleased to know they will no longer have to sit knees to chin to use the facilities. Our Main Lodge is a fixer-upper no longer! Floor to ceiling cedar doors, smoothly repoured floors, and showers with room to change - inside the stalls! Privacy at camp? We're spoiled!

HOROWHO??

Aries: The trail twists, just like your plans. Good thing you're good at detours.

Taurus: Ground yourself. Preferably with both feet and one s'more.

Gemini: Your words bounce between cabins like a game of cosmic telephone.

Cancer: Your compass points somewhere new. Adventure is a few steps away.

Leo: The spotlight finds you, even under the shade of the Potholes trail.

Virgo: Count your blessings. Then your bug bites. They are not equal.

Libra: A harmonica solo will speak to your soul. Or haunt your dreams.

Scorpio: Emotional depth is great, but avoid the deep end without a buddy.

Sagittarius: You will find what you are looking for. Maybe in your shoe.

Capricorn: The morning mist can't hide your energy. It's practically a force of nature.

Aquarius: Let your thoughts drift like a canoe with no paddle.

Pisces: Dance like no one's watching. They are. But they're clapping.
