TO ALL THE CAMPERS WHO COULDN'T BE HERE

We miss you. We love you. We'll
see you next year. If you're reading
this, and wondering...

Yes, we're talking to you!!!

SEEKING FEEDBACK

Have you been itching to give some feedback about this year's co-op camp? Do you have a stellar evaluation to give? Suggestions for next year? Come share some constructive feedback at the rec hall at 10:00 AM!

5:41 IS A STATE OF MIND

Co-ops convened for All Camp Photo - boots in the meadow report
it was the fastest one yet!

AND THE RESULTS ARE IN...

Thursday's auction was a success! Campers went home with original artwork, a handmade ukulele, plenty of squishmallows, and more!

Thanks to Jane, Obo, Carson, Julie, and Victor for their efforts in putting together this year's auction. \$1124 was raised for the Co-op campership fund.

CAMP'S GOT TALENT

Co-op Camp's annual talent show is tonight! Make sure you're in attendance to watch campers of all ages share their talents. Grab some popcorn and enjoy the show - you won't want to miss it!

DOLLAR DOLLAR BILLS

Don't forget to bring cash to dinner - it's time to tip our lovely camp staff! Let's show them how much we appreciate their hard work.

The staff started the week with five people. Two of the staff called in sick on the second day, leaving only 3 staff. Those 3 staff have worked 12-15 hour days to prepare, serve and clean up. If you don't have cash, please consider tipping by Venmo, QR code (below), Zelle, or Paypal - Rae will convert any tips received to cash to add to the bowl! Thank you!

MOFFETT'S SAVE BBQ!

Skip and Nick came to the rescue when the Moffett men helped Jon with Thursday's BBQ dinner. We would like to sincerely thank these brave men for their assistance in keeping Co-ops fed and happy.

CHALLAH BAKE REMINDER

Meet in the Spring House at 9:30 AM to mix and knead, at 1:30 PM to braid and bake... or at 5:00 PM @ Circle Lodge to consume!

ARE YOU SMARTER THAN A CO-OPER?

Do you know an endless amount of random facts? Can you name the capital of every state? Did you study whale anatomy? Come show off your knowledge at trivia - 3:30 PM on the Store Porch!

LA-LA-LA-LA-LA

Join us for a sing-a-long in the Rec Hall at 4:00 PM. Practice those high notes!

SHABBAT SOCIAL HOUR

Shabbat will be held on Circle Lodge porch at 5:00 PM. Challah will be served!

TRIP TO SHAVER LAKE A SUCCESS!

Several brave campers took their chances and drove to Shaver Lake this afternoon. We're happy to report that no obstacles were encountered. The sun was hot, the water was perfect, the view was incredible. Shout out to Harry for getting his dad to jump off the big rock TWICE!!!

THE LAST DANCE

Join us for one final folk dancing session immediately following the talent show. From Rainy Night to Virginia Reel, all the hits will be covered for the last dance of 2026. Will Jennifer teach us the Black Nag? Shoes not required.

RUMOR HAS IT

Kai likes Bombay Sapphire better than Tanqueray.

Harry J Martin is afraid of the "Purple People eaters" who eat the Purple People in Bob Hope's Purple Polaroids. This is a warning to all you other Purple People from the Purple Polaroids...

EDWARD TO THE RESCUE

Many campers enjoyed delicious ice cream from the camp store last night. What they don't know is moments before the store was set to open, there was no one around to scoop the delectable, frozen dessert. Edward saved the day by slinging scoops of ice cream to eager campers. Thanks to Edward for scooping with a smile. Supervised by big sister, Clare, of course!

BEATLES TOUCH DOWN AT CAMP SIERRA

Late last night a Beetle touched down in front of the Store. He didn't make it in time for ice cream, but let's hope he brings his friends for an appearance at the Talent Show.

MOUNTAIN WINDS (HEARD AROUND CAMP)

"Do you not hear that music?? I hear windchimes... No, I hear Shawn Colvin!"

"Moriah kissed a fish!"

"What domesticated animal turns down bacon?" "...Well maybe a pig.."

SHADY SOCIAL HOUR

Social Hour @ Shadrack. Refreshments, fruits and cheese, yes please! Spicy jam was enjoyed with a mild Havarti atop a cracker. A generous bowl of watermelon was passed around at one point and the lovely hourly attendees enjoyed a short trek to All Camp Photo before dinner was served!

BIZARRE ZOO

This is about a chain reaction event I went through this morning. I am okay now. So I was vacuuming up some sand that the dog brought in through the dog door and it happens to be right next to the fireplace which has an amazing stone mantle. I lifted up my head and smacked my forehead square into the corner of the mantle! I started crying out loud and had a small amount of

some bleeding .at the same time I had the hose of the vacuum going and it started to suck up my dress as I was trying to hold my head at the time. and I couldn't get the hose from pulling on my dress so I pulled out the hose from the front of my dress and then it got to sucking up the back of my dress! I was trying to hold my head crying and sobbing and frustrated with the vacuum. I finally got to turn off the vacuum and then I went to the kitchen. I was holding a paper towel to my head, trying to get to the ice machine on my refrigerator and then I turned on the ice machine and it wouldn't stop and ice was falling and coming out like the that scene in the Sorcerer's Apprentice with all those buckets of water that just kept coming . Ice was pouring out all over the floor and meanwhile I'm still crying and holding this bloody paper towel to my head. Lyla my dog was so freaked out she ran out the dog door. I finally got the ice to stop and then I had to clean up the ice put away the vacuum and sit with an ice pack on my forehead and took some Tylenol. If this had been on YouTube it would've been very very funny. [See less](#)
