IT'S TIME TO SAY GOODBYEEEEEEEE

The time has come to say your goodbyes. Make sure you check out and square away everything with Heather at King Cabin. Another year of camp is over, but fear not, only 364 days until we come back to this magical place. Thanks for making this year so special, see you June 19-26, 2027!

CO-OPERS PUT ON A SHOW!

Friday night's talent show was a great success! From ukuleles, ballads and comedy to dance parties, duets, and makeovers, everyone was thoroughly entertained. Who knew Campers were so talented?? A big thank you to all the stars! Thank you for sharing with us and bringing the creativity and

energy!! We're ready for next year.

K-POP DEMON HUNTERS AT CAMP SIERRA

Did the demon hunters slay Britney Spears at Camp Sierra? The exact nature of last night's events are unclear but a supernatural force was definitely at play. Camp's very own Britney and Britney (a.k.a. Aidyn and Moriah) were inspired by demon hunter, Maya Katz-Ali, to leave the 90's behind and join the K-pop times! It turns out, our camp is full of beautiful demon hunters!!! Britney SLAYED (in more ways than one).

-It's Britney, B****

CAMP'S VERY OWN CHESHIRE CAT

Amor has a big smile and keeps disappearing and reappearing. Is he Camp Sierra's own Cheshire cat??

TWO GLOWING EYES IN THE DARK

Taller than a raccoon, shorter than a human! Was it a bear?? It was enough for some Campers to come scurrying back to the Rec Hall for an escort back to their cabin.

CAMP REUNION!!!

Oakland, CA. Save the date for **September 26, 2026**. Bring memories, and someone who would love to join in '27! Stay tuned for details.

FEATURE PROFILE: MORIAH

Parents everywhere will be pleased to know their children are in good - very knowledgeable - hands. Our favorite third grade teacher, Moriah Grey is a WIZARD at trivia and led her team to a decisive victory! Ask her about the fastest bird on land, the name of Angelina Jolie's dad or where your kid is.

THANK YOU TO CAMP STAFF

Thank you campers for your generosity in tipping our amazing staff: Saraleen, Jackie, Jacob, John and Chris.

SPORTZ REPORTZ

French culture dominates again! Norway was already advancing and they didn't care.

Dembele nets a hat trick, and France wins group! Senegal stays alive with a big win.

ASK AMY

What have I forgot to bring to camp next year?
...stay tuned for A's answer!

RUMOR HAS IT

Adult Campers relived their early year camp crushes and now we're all asking: who was crushing on who?

Here are the memories shared:

"That one guy with swoopy hair in 2005"

"My brother?! Which brother?!"

"I was too busy wearing basketball shorts to care about crushes."

"Joe Stewart."

-Xoxo Co-op Confessional

CATCH THESE CAMPERS CRUISING IN STYLE

The new electric camp golf cart has been a great help, easing many campers journeys to meals, cabins and beyond. Thank you to Paul, Skip and the other great drivers! Seeing these smiling faces carted around camp makes everyone's day — joy is contagious. It saved Harry 5 minutes on his way to Happy Hour last night, what a relief!

INTRODUCING A CO-OP SPIN OFF - GLAMPING!

Can't get enough Camp Sierra?? If you find yourself free come August, come join us back at the BBQ pit, again, for 4 more days at Camp Sierra! Glamping is a lovely addition to our Co-op family, and an extra bonus — we get another cooperative group to support Camp Sierra! Glamping caters towards an adult population — think four days of happy hour! Of course, anyone is welcome (no kid programming offered currently). Co-op will always be our home and you can think of Glamping as your weekend getaway at Napa. We're excited to keep the conversation going about how to best blend these two communities in support of Camp Sierra. For any question, or suggestion, please contact Molly or Tsan.

WIJ ZIJN DOL OP MOFFETS

Who thought Road 3 was the hot spot? Turns out it's wherever the Moffet's are. It has been 7 years too long since the Moffet's graced us with their presence (coincidentally, the same number of years that the Editor's beers sat in the refrigerator — see below). A fourth generation bringing love, music, dance, and good vibes to our beautiful community. Big thanks to Krissy for photos from the fronts!

*Love,
Your Co-op Family*

P.S we missed you and also, Jeanette, we have seven years of split ends that need cutting... see you on the Ponderosa porch!?!?

SHABBAT

Shabbat was host to many lovely loaves of luscious challah. Many tins of fish, olives, and dolmas were served. David brought a root vegetable from his garden for us to sample and it was crisp and mildly spicy!

DISCERNING CROWD DRINKS EXCAVATED BEER

If any of these Campers does not show up for Saturday's Breakfast, it's probably because they drank 7 year old beer that was leftover from Happy Hours past. Paul & Rae are very happy to have the fridge space back!

MOUNTAIN WINDS

(HEARD AROUND CAMP)

"FINISH THIS - IT'S THE LAST DAY OF CAMP!"

"Molly I'm sorry, the fresh beer tastes better!"

"I was wearing that shirt the first couple days at camp... and it was white!"

"Mystery drinks welcome!"

"Who's that guy?!?! It's my wife!!"

"Harry is like the boy scout of social hour!"

"Kamala. It's comma, with a La."

"If there's stuff floating in your beer, just drink the whole damn thing!"

"Well I know Amor... but I don't know the Cheshire cat!"

EDITORS NOTE

This year's newspaper was truly a collaborative effort written in the Spring House, store porch and cozy cabins. We'd like to thank everyone who contributed pictures, gossip, stories, and mountain winds. We'll see you next year!

WEDDING BELL DEJA VU

Amor and Harry celebrated their 40th anniversary at Camp. Matt no idea which one it is. They've had four weddings. One: they exchanged rings in their kitchen and i think one of them jumped a broom. One was a domestic partnership. The other one was a beautiful backyard ceremony at the Wedel's in San Jose a month before Prop 8! One of the 180000 - google it! Mat was not alive for the other one in 1986 - the year of true commitment!
